

ONE STOP SHOP

EVERYTHING YOU NEED FOR...

ICE CREAM PRODUCTION

OVER DECADES OF WORKING WITH THE WORLD'S LEADING ICE CREAM BRANDS, WE HAVE DEVELOPED A COMPLETE ONE-STOP OFFER. WE CAN SUPPORT ALL ASPECTS OF YOUR ICE CREAM PRODUCTION, FROM IDEAS TO DIGITALISATION TO PACKAGING, AND EVERYTHING IN BETWEEN.

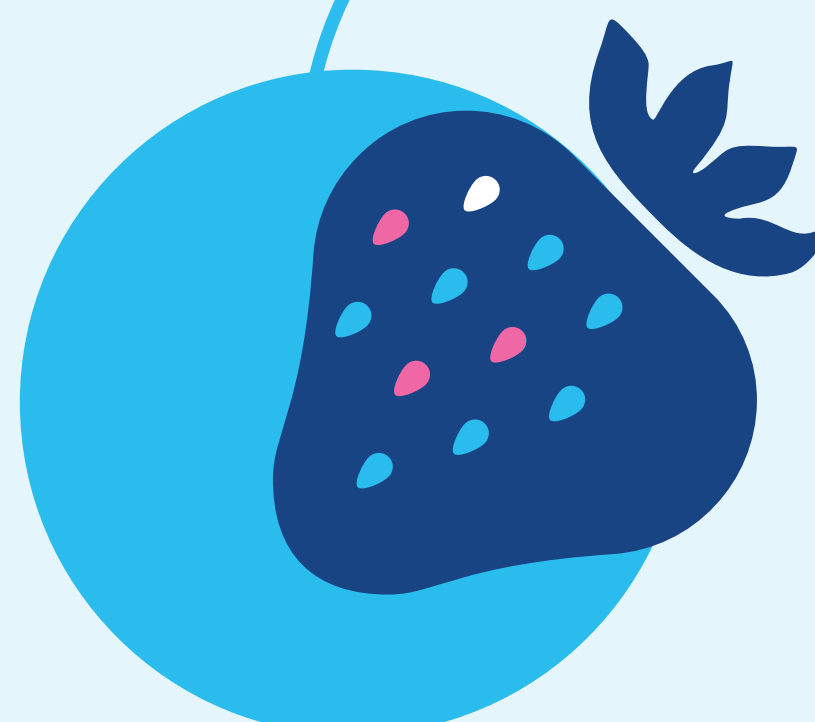

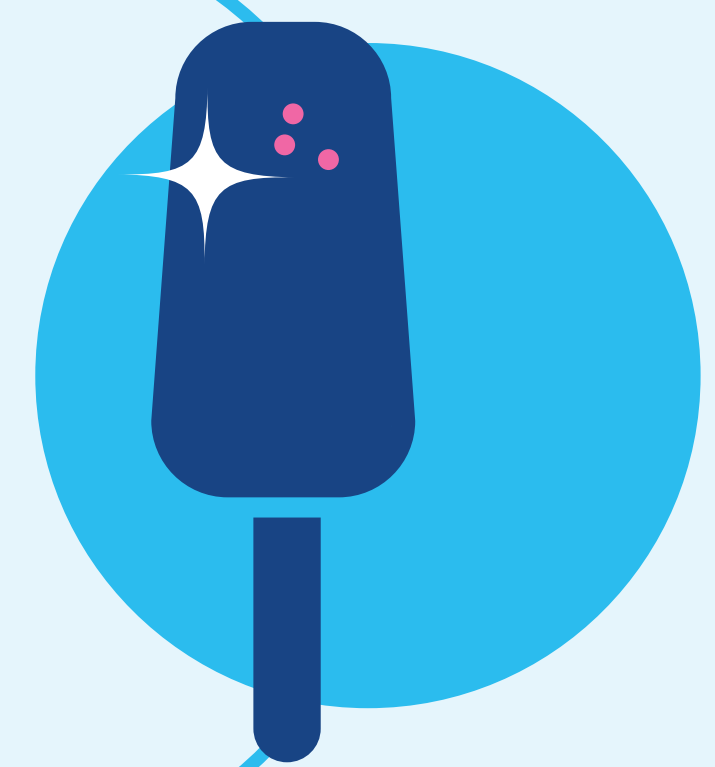

1 CUSTOMER INNOVATION CENTRE

Get inspiration and support on your innovation journey with insights and market intelligence on consumer demands and product trends.

2

2 PRODUCT DEVELOPMENT CENTRE

Explore and innovate alongside our experts to create prototypes of your next bestseller – without having to interrupt your production. Tap into our passion for ice cream and long experience with ingredients, formulations, process, equipment and lines.

3

3 INGREDIENTS SOLUTIONS

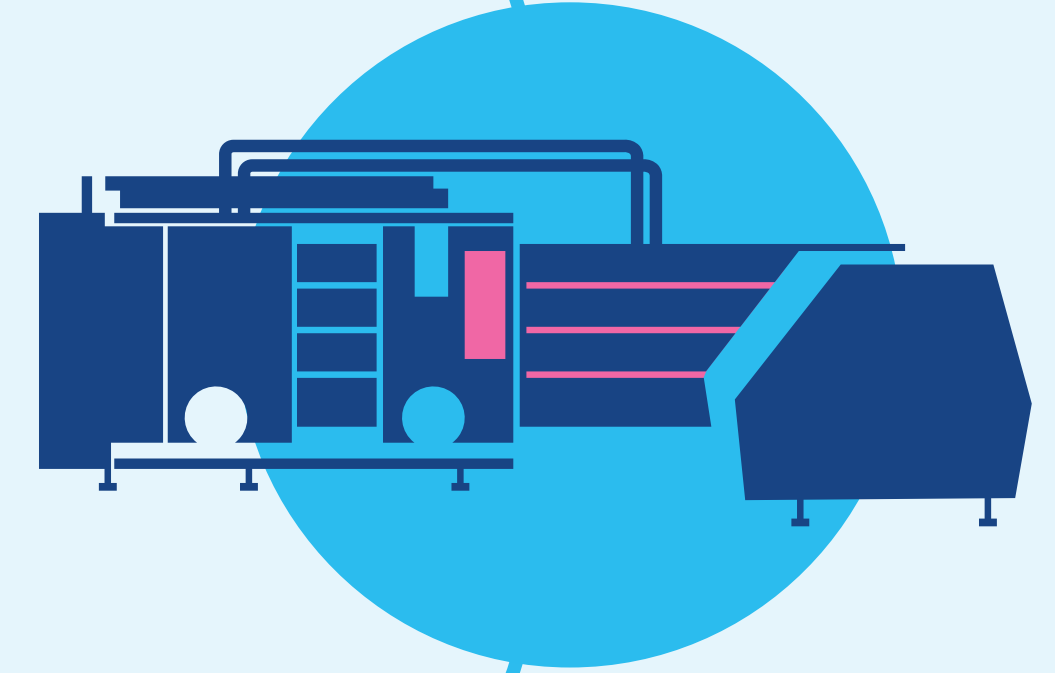

Source just about everything you need to go on, in and under your ice cream products, including:

- Milk powders, substitutes and stabilisers
- Inclusions
- Flavours and colours
- Wooden sticks and spoons
- Cone sleeves, cups etc

4

4 BEST-PRACTICE LINES

Robust and proven standardised lines that handle all aspects of your production, from raw material to finished product, including secondary packaging. Our best-practice lines for filling, moulding or extrusion give you high overall equipment efficiency, high yield, high uptime and low TCO.

5

5 KEY COMPONENTS

Cutting-edge standalone freezers and ingredient dosers that are well known and trusted by ice cream producers around the world.

6

6 DIGITAL SOLUTIONS

Our Ice Cream Digital Portfolio aims to improve and optimise performance by helping operators and managers monitor production output and providing insights into line efficiency.

7

7 UPGRADES

Broaden your product portfolio and raise performance standards by upgrading your existing lines.

8

8 LOCAL SUPPORT

Our service teams with their ice cream expertise are close at hand to support your operations, including 24-hour spare parts deliveries.

9

9 KNOWLEDGE AND ENGINEERING KNOWHOW

Need help designing a new ice cream plant? We have decades of experience with line layout and factory design.

10

10 PACKAGING OPPORTUNITIES

Did you know that we offer packaging opportunities for not-yet-frozen products where consumers, ice cream parlours or fast-food restaurants do the freezing? Contact us to find out more.
